Major Component Coverage for Pre-owned Vehicles

An excellent solution for pre-owned vehicles. With no age or mileage limitations, DirectChoice™ is the perfect coverage for high mileage vehicles. DirectChoice™ is an affordable, secure way to obtain product warranty coverage. DirectChoice™ is a vehicle product warranty for pre-owned vehicles to help protect against mechanical breakdowns.

Coverage:

Engine and Water Pump – The following components of gasoline or diesel engines: pistons, piston pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and camshaft bearings, timing chain and timing gears, intake and exhaust valves, valve springs, oil pump, push rods, rocker arms, hydraulic lifters, rocker arm shafts and water pump. The engine block and cylinder heads are covered only if damaged by a Covered Component and condition.

Transmission – The following components of manual or automatic transmissions: torque converter, oil pump, governor, bands, drums, planetaries, sun gear and shell, sprag(s), shaft(s), bearings, shift rail, forks, and synchronizers.

Drive Axle Assembly – Drive shaft, ring and pinion gears, pinion bearings, side carrier bearings, carrier assembly, axle and axle bearings (wheel hub bearings not included), universal and CV joints except if boot is damaged or missing. Drive axle housing is covered if damaged by a Broken Covered Component.

4X4 Transfer Case – All internal components that require lubrication for operation.

Air Conditioner – Compressor, condenser, evaporator, and orifice tube.

Electrical – Alternator, voltage regulator, power window motor, heater fan and starter motor. No other electrical components are covered by this product warranty.

Seals & Gaskets – Seals and gaskets are replaced only as part of repair or replacement of the above Covered Components. Leaking gaskets or seals are not covered.

Car Rental & Towing – A total of \$150 for car rental and a total of \$100 for towing are paid on authorized claims only.
